The Soviet Legation in Bangkok has recently had the following articles translated into Thai for use in its propaganda campaign against the United States: "What Lies Behind the Truman Four Point Program", by Y. Zuyanin; and "Suspicious Pother", by M. Marinin. The latter article, which appeared in the 1 August 1950 edition of Pravda, is strongly critical of the United States Survey Mission to Southeast Asia and compares it to the previous Jessup and Griffin visits to this area.
